Department of Higher Education**

**REVISED GUIDELINES FOR THE SPECIAL SCHOLARSHIP SCHEME
FOR JAMMU & KASHMIR.**

1. BACKGROUND

An Expert Group was constituted by the Prime Minister on 18th August, 2010 in the context of enhancing employment opportunities in Jammu & Kashmir and to formulate jobs plan involving the public and private sectors. Among the key recommendations of the Expert Group, one was to offer 5000 fresh scholarships per annum over the next five years to encourage the youth of J & K to pursue higher studies outside the State of J&K. The proposal arises out of the identified strategy of a human resource development initiative focused on improving skill set through improving access to education.

2. OBJECTIVE

To provide tuition fees, hostel fees, cost of books and other incidental charges to students belonging to Jammu & Kashmir who, after passing Class XII or equivalent examination, secure admission in Government colleges/institutions and other select institutions outside the State of Jammu & Kashmir.

3. SCOPE

It is envisaged to provide 5000 fresh scholarships every year over the next five years. Out of these, 4500 scholarships would be for general degree courses, 250 for engineering and 250 for medical studies. The number of scholarships for engineering and medical studies would be kept flexible i.e. more than or less than 250 scholarship per annum, for each of these streams, subject to the ceiling of 5000 fresh scholarships per annum and subject to the savings accruing from any shortfall in the number of students opting for general degree courses.

4. ELIGIBILITY

Students belonging to the State of Jammu & Kashmir, appearing for the Class XII or equivalent exam through the State Board of Jammu & Kashmir and from Central Board of Secondary Education (CBSE) affiliated schools located in Jammu & Kashmir, pursuing general degree courses, engineering and medical studies in govt. colleges/ institutes/ other non-govt. institutes recognized by AICTE or UGC, or institutes created through an Act of the State Govt., located outside the State of Jammu & Kashmir, would be eligible for scholarship under this scheme. Students pursuing 'Integrated Courses' in such colleges/institutes where the scheme is applicable, would be eligible for scholarship for the duration of the course.

5. EXCLUSIONS

Students pursuing courses through Open Universities **would NOT** be eligible under the scheme. Students availing of other scholarships schemes **would NOT** be eligible to avail of this scholarship scheme. Students gaining admission through 'management quota' would **NOT** be eligible for scholarship under this scheme. Students pursuing courses, such as Diploma Courses, not leading to award of a Degree, **shall NOT** be eligible under this scheme. The income-ceiling will be Rs. 4.5 lakhs per annum.

6. Reservation

There will be internal earmarking of scholarship for SC, ST & OBC categories, as per the quota prescribed for the State of J&K. However, in case of any quota remaining unfilled, it would be filled up by the general category students. Horizontally, a reservation of 3% will be provided for Physically Handicapped, as per government norms.

7. SELECTION PROCEDURE

The total number of scholarships will be 5000 fresh scholarships per year. In case the number of applicants exceeds the number of scholarships available, then the awardees will be selected on the basis of marks scored by them in the Class-XII or equivalent exam. The awardees would be selected from amongst the students who belong to Jammu & Kashmir and who appear for the Class XII or equivalent exam through the State Board of Jammu & Kashmir and from Central Board of Secondary Education (CBSE) affiliated schools located in Jammu & Kashmir.

8. PROVISION of TWO SEATS UNDER SUPERNUMERARY QUOTA

Students, who fulfill all the eligibility criteria and have already gained admission in various universities/colleges/institutes, **up to 23rd August, 2012** would not be disturbed and would be considered for the scholarship, those students who have not been able to gain admission would be admitted under the **supernumerary quota** which would be **effective from 24th August, 2012**. This would be subject to the overall ceiling of 5000 scholarships (4500 for general degree courses and 250 for engineering and 250 for medical studies/dentistry).

The supernumerary quota, across universities/colleges/institutes, would be allotted to the students based on Class XII merit and this quota would be administered by AICTE, through a dedicated website. UGC would furnish the list of universities/colleges to AICTE.

Students seeking admission through the supernumerary quota would compulsorily have to submit their applications **on-line** through the website of AICTE. Thereafter, the merit list of these students would be prepared, based on their Class XII marks. These students would be allotted seats in the various universities/colleges/institutes based on their choice, as per their ranking in the merit list.
